

# DataBase

The screenshot shows the phpMyAdmin interface for the 'robotbase' database. The 'basecontrol' table is selected, and the 'Data dictionary' tab is active. The table structure is displayed with columns: 'id' (int(11)), 'name' (varchar(255)), 'description' (text), 'status' (tinyint(4)), and 'created\_at' (timestamp). The table is currently empty. The right sidebar shows the database structure, including 'information\_schema', 'mysql', 'performance\_schema', 'phpmyadmin', 'robotarm', 'robotbase', and 'test'.

The screenshot shows the phpMyAdmin interface for the 'robotbase' database, specifically the 'basecontrol' table. The 'Edit inline' tab is active, and the table is empty. The interface includes search and navigation options. The right sidebar shows the database structure, including 'information\_schema', 'mysql', 'performance\_schema', 'phpmyadmin', 'robotarm', 'robotbase', and 'test'.
